Hey Kimi -- I just reviewed a concurrence package from Bruce on this, in hard copy. They want your concurrence too. I will pass along to you. I don't think they addressed all our comments though. I will bring it to you and talk with you about what I still think needs to be addressed. I'm sending you this email so that you can open our last comments to them to compare. Welcome back!!

Bruce and Douglas -- please see the attached comments from ORC on the DB ESA document. Huge thank you to Kimi for also thoroughly reviewing with her expert ESA eyes. The document is really close and is looking good. Let me know if you have any questions, Lucita
